Hi Sprocket Central Pty Ltd,

I have identified the following issues in the datasets:

| Sheet Name | Column Name | Quality Issue | Resolution |
| --- | --- | --- | --- |
| Transactions | online_order | Missing Values | Filtered |
| | brand | Missing Values | Filtered |
| | product_first_sold_date | Contains Meta Data | Converted integer to date-time format |
| NewCustomerList | last_name | Missing Values | Filtered |
| | gender | Consistency (U value) | Filtered |
| | job_title | Missing Values | Filtered |
| | job_industry_category | Consistency (n/a value) | Filtered |
| CustomerDemographic | last_name | Missing Values | Filtered |
| | gender | Consistency (U value and spelling error) | Filtered and corrected spelling |
| | job_title | Missing Values | Filtered |
| | job_industry_category | Consistency (n/a value) | Filtered |
| | deceased_indicator | Consistency (Y value as we want living customer's data) | Filtered |
| | default | Contains Meta Data | Removed |

Thanks,

Yashasvi
